Psychological Support in Nexi

Read the following and for any question you can directly ask on your first contact with us.
The person who is going to contact you is a qualified psychologist or doctor who is strictly bound by the its Code of Ethics;

1. The service we offer is a psychological support by remote;
2. The service must be considered ordinary, if we consider your position unstable we will show the nearest health care professional which you can refer to;
3. We aim to offer a service to prevent, detect, habilitate-rehabilitate and/or give you a psychological support (cf. Article 1 of Italian Law n.56/1989);
4. In order to achieve the objective we plan remote psychological interviews;
5. The interviews will last up to 5 meetings;
6. In any moment it is possible to interrupt the service, by contacting in advance the professional you are currently in touch with;
7. The psychologist will evaluate and eventually interrupt the service if he or she will observe that the interviews are no more beneficial to the patient and/or it is not reasonably foreseeable any advantage for the patient by continuing the meetings. If requested, the psychologist shall share any information in order to help the patient to look for a other and better suited medical services (Article 27, Italian Psychologists Code of Ethics)

According to the Article 9 paragraph 4 of the Italian Decree-Law n.1/2012 (converted into Italian Law n.27/2012 and later amended by the Italian Law n.124/2017 Article 1 Paragraph 150), we inform you that **all costs of the service are charged solely to the company or enterprise to which the employee belongs.**

All psychologists and medics have professional insurance with CAMPI and have a civil liability insurance policy.
